

Learn Continuous Strand Weaving on a Triangle Loom

It's weaving made easy! Learn how to weave using a basic triangle loom. This simple technique is perfect for those wishing to learn the basics of weaving. There are no shuttles to wind, heddles to thread, or looms to warp. You warp and weft at the same time! Great for those who have never woven or even veteran weavers.

April 24th 9:00 am -Noon
Poplar Heights Living History Farm

\$10.00 - Includes all materials & use of loom
Take home your finished project.

Advance Registration Required by April 19

Class size is very limited.

**To register and pay, or for more information:
call 660-200-5620**

You'll learn the basics on a small triangle loom - how to begin, weave, fringe and finish. Triangle pieces can be combined to make shawls, blankets, ponchos and easy gifts.

Extra looms are available for purchase for just \$18.00 each.

Poplar Heights Living History Farm is located northeast of Butler, Missouri. In Butler, take Highway H east to UU Highway, turn north and go 2 miles to County Road #5004, turn east and go 1.2 miles, parking is at the Learning Center on the north side of the road. Poplar Heights Farm is a program of the Marais des Cygnes Society, a 501 c3 charitable foundation.
